MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: United States Army Garrison Mannheim Command Policy # 9, Processing Exceptions to Military Spouse Preference (MSP) on a Civilian Referral List

1. References.

- a. Department of Defense Priority Placement Program Operations Manual July 1998, Civilian Personnel Management Service.
- b. USAREUR, Supplement 1, 15 Jun 99, to AR 690-300-301, Oversea Employment, 10 Aug 79.

2. Applicability. This memorandum establishes United States Army Garrison (USAG) Mannheim policy for processing exception to bypass (not select) applicant(s) possessing Military Spouse Preference (MSP) on a civilian referral lists issued to USAG Mannheim.

3. MSP applicants are spouses of active-duty military members of the U.S. Armed Forces who are relocating because of a permanent change of station. Spouses receive employment preference for appropriated fund positions in the excepted and competitive service at the GS-1 through GS-15 grade levels and equivalent wage-system positions. The preference applies in DoD and within the commuting area of the permanent duty station of the spouse for initial employment in a permanent position. MSP eligibility applies only if the sponsor and spouse were married before relocating to the new duty station.

4. The intent of DoD and Army policy is to help a spouse obtain initial employment in the commuting area of the sponsor's new duty station. There may be rare instances when it is appropriate to bypass a person eligible for MSP. Reasons that would support non-selection of a MSP eligible include, but are not limited to:

- a. Filling the position with the MSP eligible would cause adverse impact on mission accomplishment.
- b. Special or unique situations identified by the MSP eligible that would result in personal hardship for the eligible or prevent them from performing the duties of the position.
